- [Kreditanstalt für Wiederaufba \(KfW\)](#) . KfW banking group is a German government-owned development bank, based in Frankfurt. Its name originally comes from Kreditanstalt für Wiederaufbau, meaning Reconstruction Credit Institute.

- [Ministry of the Environment, Government of Japan](#) . Japan's MOE was formed in 2001 from the sub-cabinet level Environmental Agency established in 1971.

- [United Nations Environment Programme \(UNEP\)](#) . UNEP is the United Nations' global development network. It advocates for change and connects countries to knowledge, experience and resources to help people build a better life. UNEP operates in 166 countries, working with nations on their own solutions to global and national development challenges. As they develop local capacity, they draw on the people of UNEP and its wide range of partners.

- [United Nations Development Programme-Global Environment Fund \(UNEP-GEF\)](#) . As the UN system's development programme and a GEF Implementing Agency since 1991, UNEP supports countries in addressing development, climate, and ecosystem sustainability in an integrated manner. As a GEF Implementing Agency, UNEP-GEF offers countries highly specialized technical services for eligibly assessment, programme/project formulation, due diligence, mobilization of required co-financing, project implementation oversight, results management and evaluation, performance-based payments and knowledge management.
